

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

VEHICLE SERVICES COORDINATOR

JOB DESCRIPTION

Employees in this job complete and oversee a variety of professional assignments to evaluate, assess, plan, develop, and implement various transportation system programs and activities by inspecting vehicles for compliance to specifications and conducting statewide random inspections under the Federal Motor Carrier Safety Assistance Program.

There are four classifications in this job.

Position Code Title – Vehicle Services Coordinator-E

Vehicle Services Coordinator 9

This is the entry level. As a trainee, the employee carries out a range of professional vehicle services coordinator assignments while learning the methods of the work.

Vehicle Services Coordinator 10

This is the intermediate level. The employee performs an expanding range of professional vehicle services coordinator assignments in a developing capacity.

Vehicle Services Coordinator P11

This is the experienced level. The employee performs a full range of professional vehicle services coordinator assignments in a full functioning capacity. Considerable independent judgement is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

Position Code Title – Vehicle Services Coordinator-A

Vehicle Services Coordinator 12

This is the advanced level. The employee may function as a lead worker or senior worker. At this level, employees are responsible for overseeing the work assignments of other professionals or have regular assignments, which have been recognized by Civil Service as having significantly greater complexity than those assigned at the experienced level in the series.

NOTE: Employees generally progress through this series to the experienced-level based on satisfactory performance and possession of the required experience.
